Re: U.S.A. v. WILLIS, EVANS  
Case No. 02-01-E

Dear Judge Mcklaughlin:

I am writing to obtain legal assistance from the court. There has been some changes made to the U.S. Sentencing Guideline in relation to certain sentencing factors used to increase my sentence. I also have been made apprised that the crack cocaine penalty pursuant to 2D1.1 whereas, a violator is enhanced has now been amended and made retroactive. My unit team manager Mr. Burton has instructed me at a town hall meeting that I will need to file a petition to the court to have this matter reviewed and considered for a two level decrease.

Sir, I do not have the knowledge to file anything legal. This letter is currently being being written for me. Is there anyway that I can have a public defender aid me with this process. This is not my § 3582 petition. Nor is this any other type of motion. I simply am trying to gain assistance to file this motion as requested by my unit team because, the laws that has been changed does affect my case.

I pray that you will be able to assist me with me legal needs. I am indigent and cannot afford to pay for representation. My initial court was appointed pursuant to 3006 (A) of the Criminal Justice Act.

Very truly yours,

Willis D. Evans
